aramfood

Aram Co., Ltd. is a food manufacturing company established in 1999.

We manufacture a variety of foods from traditional Korean drinks such as sikhye and sujeonggwa to home meal replacements such as tteokbokki. We are always doing our best for the quality and safety of our products in order to make food with sincere care that anyone can enjoy with confidence. In the future, Aram Co., Ltd. will continue to strive to lead the global K-food market as a manufacturer specializing in traditional sikhye and home meal replacement foods.
